TRACK MAY

Owner Proposes to Do Away With Cyclomere.

Too Much Grief-Tales of Trouble Pile Up Right Along - Cost of Track-Racing Controversy.

C. S. Desky said last evening that unless he leased Cyclomere track in a very few days, he proposed to dump the banks into the lake, take down the fence and grand stand, pile some more earth in the lake and sell as lots for residences the land thus made. Mr. Desky seemed very much in earnest when he gave out this statement. Effort will be made to dissuade him from this purpose. It is more than likely that at least two propositions to lease the track will be made to the owner.

The man who expended \$11,000 that there might be cycling races here, has enough of the game. He says he cannot tolerate the bickerings that are brought about from time to time. The disputes growing out of the last two evenings of races have soured Mr. Desky entirely. He complains that the heavy portion of the "wrangling" has come to him, that he cannot stand it and will not.

There is 70,000 feet of lumber in that grand stand and it cost complete over \$4,000. Since racing at Cyclomere began the cash prizes and the cost of trophies has footed up to a total of \$2 .-700. Contingent and incidental expenses have been very heavy. It cost \$500 in cash to bring down the pioneer party of professionals from the Coast. On the other hand, the public has been liberal in patronizing Cyclomere. There have been gathered for the evening races the largest crowds ever seem in Honolulu for a "pay" entertainment. The owner does not say that he has lost money, but only remarks that the grief incident to listening to tales of troubles on racing has become too much of an interference with other business matters. Mr. Desky says he was advised against building the track, both here and on the Coast, but wanted to carry out the plan, and did not imagine that Cyclomere could possibly become such a wearing care upon him.

As the public well knows, the latest Cyclomere sensation or controversy, is about the finals of the two-thirds of a mile amateur race on Saturday evening last. Tom King won, but was disqualified by the referee because the official held that King had not done his share of "pacing" or leading before the finish. Fred Damon, who finished second, was given the first prize. King protested and announced that all his racing men and wheels would remain off the track till he had satisfaction. Yesterday King made a written protest against the decision of the referee. This was met by Mr. Desky with the proposal to have the verdict of the referee reviewed by five men agreeable to King and Damon. King accedes to this, but Damon so far urges that the decision of the referee, under the rules of the ports. track, is final. Four of the men suggested for the board of arbitration are Oahu ports. Geo. R. Carter, Mai. J. W. Jones, Mai. C. J. McCarthy and Jas. L. Torbert. The whole matter will be further considered today.
